Cologne, March 02, 2015 – Sunlight Games will release Gold Rush! Anniversary, the remake of the adventure classic in 1988, today for iPad. Because Apple has changed the maximum size of apps, the game is now available in one part in iTunes.

The new version of the over 1.3 million copies sold adventure classic by Sierra, tells the story to the reporter Jerrod with high-resolution graphics, voices, new music and an optimized flow of the game.

The PC version is available as a limited special edition in the shop of Sunlight Games under <http://shop.sunlight-games.com>. This strictly limited Special Edition will be delivered in an attractive retro box and includes besides the game a high quality poster, a printed making-of booklet, a printed booklet with concept drawings, a golden-colored coin in the design of Gold Rush! and more gimmicks.
