Sunlight Games with news about Gold Rush! Anniversary

Cologne, September 05, 2014 – The independent game-developer Sunlight Games has announced more news and new screenshots to **Gold Rush! Anniversary**, the remake of the classic adventure from 1988, coming in fall for PC.

Gold Rush! Anniversary will be optimized, compared to the original, even further in terms of playability and graphics: the dead ends and random deaths were optimized as well as the graphics, which come along with new textures, more details and the environments now also get real time shadows.

In addition, two new screenshots from the game were published, that will offer fans an additional taste of the new edition of the classic game.

Gold Rush! Anniversary will be released in a box (DRM-free) and on Steam in fall 2014 and can now be pre-ordered as normal version for 29,99 Euro or in a limited to 350 pieces Special Edition for 39,99 Euro in the official online shop of Sunlight Games: <http://shop.sunlight-games.com>.
