One Hundred Way will be released on Xbox One today

Cologne, October 07, 2016 – One Hundred Ways by Sunlight Games will be released today in the Xbox Store. The puzzle game has been specially optimized for Xbox One and playing with a controller. Moreover, the console version will contain the 115 levels of the main game and 18 new additional levels – so overall 133 levels. Look for it on the Xbox One Games Store!

100 (+15 +18 = 133!) tricky levels to solve **One Hundred Ways**. The goal - to make the ball reach its goal - sounds simple - but it is not! To solve the levels, there are some tools available. Sometimes one needs to think outside the box to overcome obstacles.
