Second major update for Game Tycoon 2 will be released today on Steam!

Cologne, December 18, 2015 – Today, Game Tycoon 2 gets the second major update in Early Access on Steam. It adds a lot of new features to the game, as well as the production and law area. From now on games can be published and market in a limited way. In addition, there will a larger tutorial as well.

With the "Disc-update", the content of the game raises to 70%. The next update will be the "CD-update" in January. This update will then add the marketing/PR area, a shopping center, the home area and other features and wishes of the gaming community to the game.

The team would like to keep up the discussion about the game in the Steam and Sunlight forums. The roadmap was updated and includes the scheduled updates.

Games Tycoon 2 is going to be more extensive and detailed than **Game Tycoon 1**. So all of the technologies and trends from the years 1980 up until 2030 are offered and included. Games can be developed for PCs, handheld devices, smartphones or other platforms. Besides the endless game, there also are 20 missions to accomplish - an extensive tutorial helps you to get started.

Game Tycoon 2 was released on Steam in Early Access for PC on October 30 2015. The final game will be released in February 2016 for PC, Mac, Linux, iOS and Android. It can be ordered in the online shop by Sunlight Games too at <http://shop.sunlight-games.com>.
