## **Game Tycoon 2: The third update will be released on Steam today**

**Cologne, January 29, 2016 – Today the third major update for Game Tycoon 2 will be released in Early Access on Steam. It expands the game with a marketing/PR-area and a lot of improvements with contracts. Again, the wishes of the community have been considered. Also, the tutorial has been adjusted to the new scenes.**

The DVD-update will be released in February. As part of this new version, the game will be extended with a shopping mall, a home area, further features as suggested by the community as well as a new help system.

The team would like to keep up the discussion about the game in the Steam and Sunlight forums. The roadmap was updated and includes the scheduled updates.

**Games Tycoon 2** is going to be more extensive and detailed than **Game Tycoon 1**. So all of the technologies and trends from the years 1980 up until 2030 are offered and included. Games can be developed for PCs, handheld devices, smartphones or other platforms. Besides the endless game, there also are 20 missions to accomplish - an extensive tutorial helps you to get started.
