Cologne, October 10, 2019 – **Today the retro-style adventure game "Gangsters 1920" will be released for iOS and Android.**

Explore the gloomy roads of the surreal 1920s underworld and find the relevant hints. Together with detective Lake, you will be able to hunt down the gangsters responsible for the national bank robbery. Better be safe than sorry – find out who your friends are before encountering your foes. The right people will do you a favor and give you the two clues, the wrong people will kill you.
