Major update for "Gangsters 1920", optimized PC-version was announced

Cologne, October 25, 2019 – **Today the retro-style adventure game "Gangsters 1920" was recently updated for iOS and Android.**

Marco Sowa-Israel from Sunlight Games: "We received a lot of positive feedback from the players. "Gangsters 1920" is not a normal, simple adventure game. You have to search and discover a lot, just like you used to do in games in the 1980s. Nevertheless, we now give the player some more pieces of information in the game using a new button. Furthermore, the patch brings some minor fixes."

Explore the gloomy roads of the surreal 1920s underworld and find the relevant hints. Together with detective Lake, you will be able to hunt down the gangsters responsible for the national bank robbery. Better be safe than sorry – find out who your friends are before encountering your foes. The right people will do you a favor and give you the two clues, the wrong people will kill you.

The game will be released in an optimized PC-version on Steam in November.
