Update for "Gangsters 1920" on PC

Cologne, December 16, 2019 – **Today the retro-style adventure game "Gangsters 1920" gets an update for PC on Steam.**

The update fixes small bugs and brings performance-optimizations.

Explore the gloomy roads of the surreal 1920s underworld and find the relevant hints. Together with detective Lake, you will be able to hunt down the gangsters responsible for the national bank robbery. Better be safe than sorry – find out who your friends are before encountering your foes. The right people will do you a favor and give you the two clues, the wrong people will kill you.

The game was released for PC, Android and iOS.
