**Press Release 07/2020  
Cologne, December 08, 2020**

**"Construction Playground" will be released today in Early Access on Steam!**

**Cologne, 08.12.2020 – Sunlight Games will release "Construction Playground" today for Virtual Reality in Early Access on Steam. New screenshots and an updated trailer will be released too.**

In the final basic game, players will be able to control a tower crane, tear down walls with two kinds of hammers and to build walls with individual bricks. Future DLC content will expand the construction site with new environments, missions and of course cool construction vehicles and tools, such as a crawler excavator and a crawler crane.

Sunlight Games is looking forward to adding ideas from the community to the game that are both meaningful and feasible.

For more information, please visit the Steam page of Construction Playground:
