Sunlight Games breaks into Boosteroid platform with 6 titles

Cologne, October 18, 2021 – Sunlight Games has announced today a cooperation with the cloud gaming service Boosteroid. Start with the new puzzle game “Two Hundred Ways”, play all the three adventure games of “Gold Rush!” or become a gangster in the thrilling “Gangsters 1920”.

You can run Sunlight Games titles on any device, starting from Mac/PC, smartphone or laptop and even Android TV. There is no need to download and store all the games on your device. Boosteroid does it instead of you!

About Sunlight Games:

Cologne-based Sunlight Games was founded in 2008 and transformed into a GmbH in May 2013. A team of experienced game designers led by development veteran Marco Sowa-Israrel creates games of all genres for PC, Mac, mobile and online platforms. Sunlight Games also works for other studios as well as in game porting and localization.

About Boosteroid:

Boosteroid is a cloud gaming provider. Their service allows for using computational power of remote servers to launch and run high-end video games. The gameplay is rendered on the remote computer and is streamed to the user’s device over the Internet. The transmission happens instantly making remote gaming comfortable for users. Boosteroid operates its own hardware infrastructure deployed in the world’s leading data centers.

Boosteroid provides access to all the games directly through the user’s browser with no additional software required. The technology is suitable for both PC/laptop gaming and mobile gaming.
