Idle Game Tycoon: Android version release date

Cologne, 10-28-2021 – Today, Sunlight Games has announced the release date of "Idle Game Tycoon" for the Android platform. The game will be released on November 3, 2021 in the Google Play Store.

In this idle game, players have to build up their software company through developing and marketing great video games. "Idle Game Tycoon" features charming low-res polygon graphics in a 3D isometric view. It will be released for iOS soon, too.
