Idle Game Tycoon: Android version released

Cologne, 11-03-2021 – Today, Sunlight Games has released "Idle Game Tycoon" for the Android platform. In this idle game, players have to build up their software company through developing and marketing great video games. "Idle Game Tycoon" features charming low-res polygon graphics in a 3D isometric view. It will be released for iOS soon, too.

Here you find the game In the Google Play Store:
