Idle Game Tycoon: Android version gets major update!

Cologne, 11-11-2022 – Sunlight Games has released a major update for "Idle Game Tycoon" for the Android platform. The update expands the game with new buildings, a daily bonus, new managers and much more.

In this idle game, players have to build up their software company through developing and marketing great video games. "Idle Game Tycoon" features charming low-res polygon graphics in a 3D isometric view. It will be released for iOS soon, too.

Here you find the game In the Google Play Store:
